

## **T-02-1 – “State Wildlife Grants Implementation”**

*Abstract:* This grant was designed as a catch-all grant for 3 implementation projects. The unifying theme of the three projects was to increase protection and public awareness of Louisiana’s species of concern. The 3 projects funded within this grant included:

1. “Louisiana Marine Mammal and Sea Turtle Stranding Network”. This project was continued as a separate grant, T-14-1, beginning 1 July 2003;
2. “Louisiana State-Wide Red-cockaded Woodpecker Safe Harbor Agreement”. This project was continued as a separate grant, T-15-1, beginning 1 July 2003; and
3. “Natural Areas Registry Program Areas for Rare / Threatened / and Endangered Vertebrates”. This project was continued as a separate grant, T-16-1, beginning 1 July 2003.

More detailed information for each project may be found in the abstract listings for State Wildlife Grants started in 2003. This grant was closed 30 June 2003.

**For more information** about these State Wildlife Grants, or to obtain copies of final reports, please contact the State Wildlife Grant Coordinator, LDWF Fur & Refuge Division.
